Dear Gabriel Petrini Da Silveira,

Thank you for choosing Hostelling International Boston. We know where you choose to stay is important and our team wants to make your stay as enjoyable as possible. Feel free to reach out and ask questions about the city we love, or tell us how we can make your stay more comfortable.

The information below confirms your reservation and we hope your stay in our beautiful city of Boston and at HI Boston is nothing less than great.

Check-in time is anytime after 4 p.m. (16:00). If you arrive early, we are happy to securely store your luggage until your room is ready. Lockers are available in all dorm rooms - you can use your own padlock, or purchase one at our Front Desk (\$5.00). After checkout - luggage can be stored with the Front Desk (\$3.00) but must be vacated prior to 1AM on the day you check out as we do not offer any luggage storage after 1AM of your check out date. Sorry, we really don't have the space and are not able to take on extended luggage storage in any capacity after you are checked out and not a current guest at the hostel. We do not take any responsibility for any luggage left behind, or abandoned and will remove it from the hostel.
