Dear Young Scholars,

I hope this email finds you well. Please, find attached the program of the Workshop and of the two special sessions.

We are glad to announce that professor Perry Merhrling and Rebecca Ray are going to present very interesting lectures about their current researches. They are sending us reading materials.

Also, don't forget that complete papers are due to January 31st (a.k.a tomorrow!)

Please, let us know if you need extra time to send it.

The complete paper must be attached to the same Google Drive file.

Each one of you will be discussing a colleague's paper as well. Don't forget to check the session allocations. **We would like to remind you that the presence in the Workshop and in the EEA pre-event is mandatory.**

Everybody is going to be accommodated at the Inn at Brookline

Address: [1200 Beacon St, Brookline, MA 02446, Estados Unidos](#)

The hotel has easy public transport access to the Boston University and Sheraton Boston.

Don't need to worry about the reservations. Your name will be at the reception as your shared room number.

We look forward to seeing you all in Boston!

Best,

--
