

WELCOME

Welcome to the 46th Eastern Economic Association Annual Meetings in Boston, Massachusetts. EEA Vice President **Brad Humphreys**, who chaired the program committee, our session chairs, organizers, and review committee members have done a great job in selecting this year's program, which I hope you find interesting and engaging. The program includes papers that adopt a wide range of different approaches to economic analysis, and encompasses divergent viewpoints with regard to economic policy. On behalf of the *Eastern Economic Journal's* outstanding editors, **Cynthia Bansak** and **Alan Zebdee**, I would like to encourage you to submit your work to the Association's journal.

The Association would like to thank Ramapo College of New Jersey for hosting the Association's home office. I hope you will also thank **President Peter Mercer, Dean Ed Petkus, Jr.**, and their colleagues at Ramapo College for all the support they have provided to the Association. A special thanks should be made to **Alexandre Olbrecht**, the Executive Director of the EEA, **Monica Moses** for helping to put together the schedule of sessions, and the three unpaid student assistants **Olivia Vona, Thalia Holst** and **Alejandro Ramos**. Furthermore, we are happy to report that our former elected director and current area representative **Ari Belasen**, has successfully recovered from an attack by a cheetah which occurred prior to last year's conference. Finally, I'd like to welcome **Brad Smith** as part of our partnership team with *meetingsavvy*, our new online submission portal that will be introducing new membership services this year.

The best part of serving in the Association leadership has been exposure to the extraordinary scholarship that the Association's membership produces. Almost every important topic in economics is represented on the program, with first-rate contributions from economists from a broad array of institutions. Many of the papers speak to the daunting social, economic, and environmental challenges that the US and other countries face. We have much work to do, and the exchange of ideas facilitated by the EEA meeting helps to move research forward. I am honored to have had the chance to participate in this process.

Thank you for allowing me the opportunity to serve as an officer of the EEA. I hope that you enjoy this year's meeting and that you will plan to participate in next year's EEA meetings, which will be held at the Sheraton Times Square Hotel in New York City. The early submission deadline will be in early September to allow our review team more time since our meetings keep escalating in size.

Credits and Thanks

The program chair for this conference is **Brad Humpreys**. Other session organizers and those listed as the program committee did much of the work. A very heartfelt, and most special thanks, however, must be made to the conference organizing committee, who is a group of talented and dedicated scholars who gave up their time to help organize this conference. Without their help, this conference could never occur. Those individuals are:

Ari Belasen, Southern Illinois University- Edwardsville

Juan Cabrera, Ramapo College of New Jersey

Constance Crawford, Ramapo College of New Jersey

Nancy Fox, Saint Joseph's University

Julio Huato, St. Francis College

Anna Ichim, Missouri State University

Donn Johnson, Quinnipiac University

Jane Ruseki, West Virginia University

Alexandre Olbrecht, Ramapo College of New Jersey

Robert H. Scott III, Monmouth University

Alice Sheehan, University of New Hampshire

The content for this guide and its online version were produced at the Anisfield School of Business at Ramapo College of New Jersey. The Association thanks its Webmaster, **Robert Josic**, and its three very sleep deprived volunteer student assistants, **Olivia Vona**, **Thalia Holst** and **Alejandro Ramos**. **Monica Moses** (our West Virginia University graduate student assistant – [please hire her in two years](#)) has done a wonderful job helping to put together the conference book and the schedule. She deserves our sincere thanks.

I'd like to personally thank everyone who contributes their time and energy in making this Association be successful. I usually mention the enormous help of **Donn Johnson** at this time, but I'll also give a hearty congratulations to **Steve "Steven" Pressman** for his contributions to the academic side of the program.

In closing, I hope you enjoy this conference and your time in Boston. If my staff and I can do anything to make your time at the EEA meetings more enjoyable, please let us know.

Alexandre Olbrecht

EEA Executive Director

Absenteeism / Professionalism

The Eastern Economic Association does its best to ensure that sessions are filled at the time of acceptances. However, we cannot guarantee that presenters, chairs, and discussants fulfill their professional obligation of attendance and performance. In the case of a chair being absent, the first available presenter shall act as chair.

Please inform the EEA staff of any non-participation by a scheduled presenter, chair and discussant, as this information contributes to subsequent acceptance decisions by the program committee.

Exhibitors

Exhibits will be located in the Republic Ballroom and will be open from 9 am to 5 pm on Friday and Saturday.

The EEA encourages all of you to visit our vendors and is grateful for all the support these companies provide.
